

Tennis Match on for Saturday

MESSRS. VAN AUKEN AND KIRKPATRICK SCHEDULED TO FINISH POSTPONED CHAMPIONSHIP CONTEST TO-DAY—PLAYING TO START AT 2.30 O'CLOCK

Barring hurricanes, cyclones, tornadoes, fires, epidemics of yellow fever, and all other accidents, calamities and catastrophes, including rain, hail and snow storms, the singles championship of the Narberth Tennis Association for the season of 1919 will be settled this Saturday afternoon, October 11.

Messrs. Van Auker and Kirkpatrick, contestants for the honors, who have already played three sets—the former winning two and the latter one—expected to conclude the match last Saturday. But Mr. Kirkpatrick's illness made a postponement necessary.

Now everything seems all right for a sure get-away Saturday, and as both players have taken an oath on three bound volumes of Our Town that they'll be on the job, we may safely expect the match to come off according to schedule. Playing will start promptly at 2.30 o'clock this afternoon.

The finals in the consolation singles will also be played Saturday, as well as one or two matches in the mixed doubles.

Last Saturday Donnelly defeated Dubree in the semi-finals of the consolation singles, 6-2, 6-0, 3-6, 6-4. On Wednesday Mr. and Mrs. W. R. D. Hall played their first round in the mixed doubles against Miss Von Culin and Mr. Van Auker. The latter won the first set 6-3, and the former team won the second set 6-3. Darkness prevented the playing of the third set, which was postponed until this Saturday.

Return of the Y.M.C.A. Mite Boxes

The mite boxes which were distributed by the Women's Auxiliary a year ago will be recalled at a social gathering in the building on Thursday evening, October 23rd, when every one will be cordially welcomed. Whether you have a box or not is immaterial, the invitation is a broad one and includes everybody, and especially those who are strangers among us, having decided lately to make Narberth their home town.

The members of the Auxiliary are looking forward to this evening with a great deal of pleasure, as we feel perfectly confident that by the termination of the evening's program we will be the happy possessors of a receipted bill for the new roof, \$662.00. Won't you come and enjoy this sensation with us? Everybody welcome.

NOMINATIONS COME HIGH

That much money was spent by candidates for nomination at the recent primaries is shown by the expense accounts filed. William Warner Harper, Chestnut Hill, for County Commissioner, spent \$4,610; Frank X. Renninger, District Attorney, unopposed, \$4,143.89; Robert C. Miller, Norristown, Register of Wills, \$1,910.81; Harry McClellan Bechtel, Pottstown, Sheriff, \$1,608.84; Irvin H. Bardman, Schwenksville, Treasurer, \$156.19; Samuel Yeakle, Springfield, Director of Poor, \$537; Aaron L. Bauer, Director of Poor, \$543.71; William M. Higginbotham, Mount Clare, Commissioner, \$453.18; George Wanger, Norristown, Commissioner, \$289.97; Isaac B. Benner, Director of Poor, \$170.90; John G. Kugler, Pottstown, Recorder, \$62.10; J. Rein Keeler, Commissioner, \$275.73.

Plans for Y.M.C.A. Improvements Meeting with encouragement and success

DINNER CONFERENCE AFFORDS OPPORTUNITY FOR EXPRESSIONS OF OPINION AND INTERCHANGE OF THOUGHT.

Many friends of Narberth, friends of its Y. M. C. A., and of its various other organizations were guests at a get-together dinner held in the Y. M. C. A. Building on Friday evening, October 3rd, at which dinner the hosts were Messrs. A. J. Loos, James Artman and Fletcher W. Stites.

The dinner was tendered because of great interest in the success of the plans of the Y. M. C. A. for improving and enlarging its facilities, and with the object of bringing together a representative number of those interested in the development of Narberth, and especially any feature affording such an opportunity for advancement as do the "Y" plans, which are so vital because of their direct influence on the welfare of the young people of the community.

The general plans were laid before those present in an effort to make all points clear, and an opportunity afforded all present to express their views.

The plans, and the efforts of the Y. M. C. A. to give the town a real plant were heartily endorsed. It was universally agreed that the town needed just those features proposed, although the thought was expressed by several that the degree of popularity of the plans, and their feasibility, lay to a considerable extent in the uses to which all facilities were to be put by the Association.

It is needless to repeat that all are welcome as members, and to the use of all facilities of the building, and the Association hopes to extend its membership until it takes in everyone in the community who wants a place to enjoy any or all of the features offered.

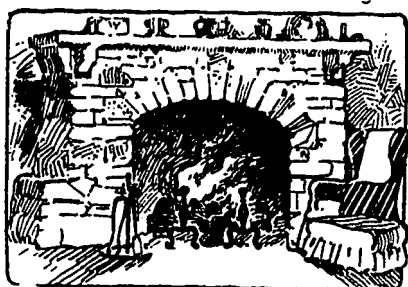

The one main feature which has created considerable favorable comment is the Auditorium, where the Association can run a series of motion pictures about twice a week, and where other events can be held which are of a community nature. It is the earnest desire and expectation of the Association to serve all, and the people of Our Town can have assurance that the Auditorium shall be available for all associations or organizations of the borough, or any member or group of members of the community for any purpose whatever of a social, educational, recreational, athletic or entertaining nature.

It is a real community center the Association hopes to lead the town to have, and it is believed by the officers of the Association that all our people will see the advantages of the plans and give them the most vigorous kind of a boost when opportunity is afforded.

Last Call for Rummage

The Women's Auxiliary will collect rummage on Thursday, October 16th, for the sale of which they plan to hold in Ardmore on Tuesday, October 21st. We will be very grateful for contributions of clothing, china, pictures, furniture, etc. We are after two hundred dollars to complete payment of the Y. M. C. A. roof, and will be glad to call for packages if you will phone Narberth 623 R, 1611 W, or 1653 W.

Will the Auxiliary members please note the changes in dates given above? It was necessary to depart from our original plan, in order to secure a suitable store in Ardmore for the sale.

THE FIRESIDE

Three tons of Government food were received and distributed through the Narberth P. O. the past week.

The Women's Auxiliary will direct a Mother Goose Carnival in the Y. M. C. A. building on November 21 and 22.

The regular monthly meeting of the Montgomery County Committee of the Pennsylvania Woman Suffrage Association was held on Wednesday, October 8th, 10.30 A. M., at 1606 Finance Building, Philadelphia.

Members of the Civic Association are at work on a history of Narberth dating from 1616 to the present time. Facts concerning Narberth and its environs such as were brought out in the Historical Pageant of 1914 are certainly interesting and educational. It is planned to print the completed history in the columns of Our Town.

Mrs. Miller Burkhardt, of 100 Maple avenue, entertained twenty-six young ladies of the Queen Esther Circle of Tioga M. E. Church, at dinner on Saturday, the 4th inst. She was assisted by her sister, Miss Street, and Mrs.

New Secretary for Narberth Y.M.C.A.

MR. JOS. E. DAYTON ASSUMES CHARGE—HAS STRONG INTEREST IN OUR YOUNG PEOPLE.

The local Y. M. C. A. is exceedingly fortunate in having been able to secure as General Secretary for the Association Mr. Jos. E. Dayton, who has assumed charge of the Association, its building and its activities.

Mr. Dayton comes to Narberth fully equipped with that experience so necessary to make a success of an activity such as the Y. M. C. A. is in a town like Narberth.

Graduating from Syracuse University with the degree of B. A., Mr. Dayton assumed the duties of Principal of the Rush Township, Susquehanna County, High School, where he won the confidence of the faculty and pupils, and which gave to him a vision of the possibilities of work with young people.

After two years with the schools he

Mr. Jos. E. Dayton.

accepted a position as Assistant Secretary of the Buffalo, N. Y., Y. M. C. A., assisting in the general supervision of that large Association. Soon outgrowing the position, however, Mr. Dayton went with the Montreal Association as assistant in charge of all social and dormitory activities, and of the employment department. This work gave him wide experience in a good many of the phases of Association activities which will without doubt be put to good use in Narberth.

Leaving Montreal after nearly three years' service, Mr. Dayton took charge as General Secretary of the Students' Branch, Winnipeg Y. M. C. A., where his membership to a very considerable extent was composed of young men students of the University of Manitoba, and where he brought the Association to a high degree of effectiveness.

Mr. Dayton was at Winnipeg about two years when the war broke out, and, like all Canadian men, jumped in to serve as best he could, and was assigned to the "Y" work in the French Army, where he did effective work for about two years.

A native of Montrose, Pa., Mr. Dayton comes to us as a good Pennsylvanian who has gotten the most of his experience elsewhere and which he is now bringing back to us.

Come around and meet him.

"Lord and Lady Algy," R. C. Carlton's delightful comedy, will be shown on the screen at the Palace Theatre, Ardmore, on Wednesday. The race track atmosphere, the inevitable romance of a Tom Moore characterization, and the old English home life, all contribute their part in making an exceptionally compelling and most interesting entertainment. Tom Moore's sunny personality is as charming as ever.

Evangel Circle of King's Daughters

The Evangel Circle of King's Daughters resumed their meetings on Wednesday, October 8th, with twenty-eight members present.

Luncheon was served by Mrs. Samuel P. Bowman and Mrs. F. H. Baker.

Mrs. Margaret P. Driesbach, our delegate to the 24th annual convention of the Pennsylvania Branch of the International Order of the King's Daughters and Sons, held at Ebensburg, Pa., July 8th to 10th, presented her report.

One of the most interesting events of the convention was the infant son of a King's Daughter enrolled at one of the sessions. A loving, inspiring sight to see one of God's tenderest flowers carried to a cradle on the pulpit and offered as a member of the Cradle Roll "In His Name."

The news was also brought to our members that in 19 States of our Union there are at least 1,000 lepers. A pathetic story of a small boy buying a live baby pig to feed up and sell in order to send an offering to help the lepers, and this meant the beginning years ago of many pigs being fed by King's Daughters' Circles. A pig was presented to our Circle here in Narberth (only ours is a brass one) to be fed at our monthly meetings and the contents of bank to be sent to assist the lepers.

Miss Helen Craft, our chairman of shut-in work, reported many magazines, birthday postals, clothing, silk pieces for patchwork quilts, pieces of linen and clothing sent to folks who are sick and crippled. Night dresses and kimonoes are also to be sent.

Mrs. Taylor Darlington was made chairman of the rummage sale to be held in Ardmore on Tuesday, October 28th. Will all of our friends please remember us, as every penny is used for a worthy cause. Goods are to be sent to Mrs. Wm. D. Smedley, No. 227 North Narberth avenue, who has kindly loaned us the use of her garage to sort and mark our goods.

The 18th annual convention of Montgomery County Union of the King's Daughters and Sons will be held in Narberth on Saturday, October 25th, as follows: 10.45, meeting in Baptist Church; 12 o'clock sharp, luncheon served in Y. M. C. A. rooms; afternoon meeting, 2 to 4 o'clock.

Editorial

By M. B. Du Marais,
Narberth's Official Representative from the American Legion.

War is of its very essence a horror, a fierce, insensate scourge, but out of its blazing maw comes heroism and sometimes salvation, not to mention the satisfaction of faith well kept, all of which are pleasing things, among the best, perhaps, this poor silly planet of ours can offer.

Now those of us who have been most vitally concerned with this latest and greatest of war's manifestations on earth feel that somehow, out of all the misery and death and despair we have pulled some tiny spark of the Divine Fire, which we must cherish lest it grow dimmer with the years and finally go out altogether, as fires will unless carefully tended.

This was the feeling of those service men who helped the American Legion into life, a life which grows bigger and finer every day; helped, we say advisedly, for no one man or group of men has brought the organization into being.

It aims to be shaped and moulded as it grows in strength and wisdom, by the spontaneous effort of every one of its members; it aims that the list of

those members shall contain the whole glorious roster of those who served with the forces of the United States of America during the period of hostilities; it aims to exist only for the furtherance of right and justice, for the well-being, spiritual and physical, of its members, for the carrying of the light that has illumined our little moment into the years to come.

If you who have served on land or sea think it worth your while to identify yourself with such an organization, come to the next meeting of the Narberth Post, American Legion, the date of which will be published in the next issue of Our Town, together with a full report of the proceedings of last night's big gathering.

We feel certain that you will never regret taking advantage of what is at one time your right and your privilege.

As the W. C. flour people say—
"Eventually—Why not now?"

To the Editor of Our Town:

Last week "Doe" Howard very kindly offered to display for advertising purposes some dahlias produced by a real dahlia grower.

It happened that Mr. Dahlia Expert had to leave town for a few days, and in his absence, when his flowers started to fade, which all flowers will do, there appeared in the window another lot of dahlias with a card reading, "The Real Thing From the Dahlia King."

Whoever the "Dahlia King" might be, he certainly slipped one over on the real sharp, and we must admit that his sample was pretty fair.

Now this "Dahlia King Fellow" has been giving himself some advertising in Our Town elsewhere, and we think that the Police Department or someone else might be put on his trail to learn the identity of the self-styled "king."

In going down the list of "bright ones" in the borough, we might suggest that the "Cub" himself be put on the trail, as he seems to be a pretty clever duck.

Now, will Mr. Cub please offer to find out who the dahlia king is, and if he really knows how to grow dahlias; also, is he going to exhibit his "Bur-banked" specimens at our Dahlia Show next fall?

Go to it Cub and give us some dope.
ETENDARD DE LYON.

To the Editor of Our Town:

In the last issue of Our Town, Mr. Butler, of the local Y. M. C. A., answered a letter of the previous week signed by "Bright Idea."

For the enlightenment of Mr. Butler and his co-workers in the Y. M. C. A. the writer must admit that he is credited with being a man with a "punch" and willing to give any good proposition a boost.

As far as working without the facts, the writer has considered the facts: not exactly as a Y. M. C. A. proposition, but has considered the best interests of the community at large and suggested a proposition of a community center as a broader and more economical one. If the Y. M. C. A. is to build an auditorium, we have one hall in town (Elm Hall) in the fire house, which would be of no value with the new and better Y. M. C. A. hall. This is where the bright idea or big idea comes in, not working along a narrow path, but considering every condition in the borough. The Fire Company will get no revenue from Elm Hall and the writer's plan of consolidating the whole corner should make a better proposition for the community in general.

The troubles of the Memorial Committee to erect a permanent and fitting memorial while they have been considered by the Y. M. C. A. have not been surmounted with the Y. M. C. A. proposition, and to offer a Y. M. C. A. to the boys who have been in the service on the other side would seem like a pecu-

liar proposition to one who has talked to them and knows their feelings and the impression created by the Y. M. C. A. abroad.

The Y. M. C. A., being a denominational proposition, would not fit as a memorial in a cosmopolitan community like Narberth. With a community center idea as a memorial, the people would be giving something to the boys themselves and to their children; while by giving it to the Y. M. C. A. it really passes out of their control as a community and is governed by Y. M. C. A. interests.

The whole proposition is to be looked at very broadly, although it is to be hoped that the past record of the Narberth Y. M. C. A. in making a very large expenditure of the people's money for an institution that hardly ever attained its real purpose will not hinder the present Y. M. C. A. plan.

Miss Helen Taft in her address at the opening of Bryn Mawr College, speaking of class antagonism, said: "The greatest contribution that educated people can make at present is to preach class co-operation, not class antagonism, and the possibility that the interest of all may be reconciled."

While class antagonism may not enter into our proposition, Miss Taft's thought was indeed an elevating one.

Members of churches that are not Evangelical cannot consistently help to build an institution such as the Y. M. C. A. Mr. Butler states that, "With very few exceptions, community efforts when not headed by a responsible organization have blossomed and faded, falling away because of the lack of that permanent responsibility and incentive so essential," and reminds us that this is a condition that Narberth should guard against.

The community center plan provides that it be managed by the best brains of the community and should be guided by our Borough Councils and a permanent Board of Trustees elected or appointed by them. If the Y. M. C. A. officers are the best brains of the community, they would be the ones who would manage a community center.

Narberth Women Aid Hospital Fund

EXPECT TO RAISE A LARGE SUM AMONG BOROUGH RESIDENTS FOR NEW MATERNITY BUILDING AT BRYN MAWR HOSPITAL.

An energetic canvass of Narberth for contributions to the fund being raised to defray the cost of erecting the much-needed Maternity Building at Bryn Mawr Hospital, starts today under the direction of a committee headed by Mrs. F. W. Stites, Mrs. Clarence S. Faries and Mrs. Edwin C. Town. The committee will be assisted by the following Narberth women:

Mrs. Frank Baker, Mrs. Wm. G. Bartlett, Mrs. Merrit Bond, Mrs. Hugh Brown, Miss Ida Buckman, Mrs. T. Noel Butler, Mrs. John Cabrey, Mrs. Robert Cameron, Mrs. Roy E. Clark, Mrs. George M. Colesworthy, Mrs. W. J. Crowell, Mrs. Fred Derby, Mrs. Henry Derby, Mrs. J. F. Donnelly, Mrs. James Foote, Mrs. H. C. Gara, Mrs. John Gilroy, Mrs. Wm. B. Goodall, Mrs. Andrew Greene, Mrs. Grover, Mrs. Harry Hartley, Mrs. E. F. Haws, Mrs. William Henderson, Mrs. F. Hewitt, Mrs. W. S. Horner, Mrs. Charles Humphreys, Mrs. A. L. Jacoby, Mrs. Wm. Jones, Mrs. R. S. Jones, Mrs. Charles Kreamer, Mrs. Fred Lanahan, Mrs. Wm. Livingston, Mrs. Hunter McDowell, Miss Anna Maeksa, Mrs. Emma Marsh, Mrs. W. T. Melchoir, Miss Linda Morrow, Mrs. John Mowrer, Mrs. A. J. Nowell, Mrs. Robert Pattison, Mrs. Wm. Peebles, Miss Ethel Plank, Mrs. A. P. Redifer, Mrs. J. H. Richards, Mrs. A. B. Ross, Mrs. A. K. Siler, Miss Maizie J. Simpson, Miss Barbara Shand, Mrs. Irving Trotter, Mrs. Townsend Zook, Mrs. F. D. Walker, Mrs. John B. Williams, and Mrs. Horton Williamson.

You Will Receive a Letter.

Each family in Narberth will receive a personal letter from some member of this general committee, along with a statement explaining all about the new hospital, and urging the largest possible contribution. All checks should be made payable to the "Bryn Mawr Hospital Maternity Building," but should be handed to or mailed to the particular member of the committee from whom the letter is received.

The new Maternity Building at Bryn Mawr Hospital will fill a long-felt want along the Main Line, and all Narberth citizens are urged to contribute as generously as they can.

Plans Completed for Narberth's Reception to the Boys

SATURDAY AFTERNOON AND EVENING, OCTOBER 25, TO BE THE BIG DAY.

While our boys were in camp, on the other side, or on the water, doing their bit during the war, the people of Narberth had them constantly in mind and were doing everything that stay-at-homes could do to stand behind those in the service.

The members of our Home Guard originated a plan to start a fund for a Memorial and Reception. A part of the plan was the sending out of "Thank Boxes" to every house in town, by way of starting contributions. After a month, these were collected, and it was found that they contained about \$1,000.00.

The original Home Guard Committee was enlarged and representatives from every church and other organization in Narberth were invited to become a part of the General Committee.

From the General Committee the Chairman appointed a sub-committee to lay out plans for the reception.

On Tuesday evening, October 7, the General Committee was called together to hear the plans outlined by the Reception Committee. These plans were approved and committee was instructed to proceed at once.

The date fixed was Saturday afternoon and evening, October 25. Program to start with a parade forming at Windsor avenue and Narbrook Park entrance. After the parade, speeches in front of the Fire House, and after this a banquet to the boys in the Y. M. C. A. After the banquet everyone will be invited to dance with the boys in Elm Hall. Suitable music will accompany the whole program.

A souvenir program will be printed, showing the make-up of the parade, line of march, speakers, the menu, and will also contain a complete list of all the Narberth boys in the service. This program will be also used as a dance card and can be preserved as a souvenir of the occasion.

Return post cards are being sent to all the boys on the Honor Roll and it is requested that the families and friends of the boys co-operate with the committee in having every card returned, so that the committee can be posted as to just how many to provide for.

Details as to the line of march and other information will be published in Our Town, and it is trusted that our business houses and residents along the line will do their part by way of decorating their buildings.

"Welcome Home" will be the word, and it should be a gala day for Narberth.

There will be quite a nice little fund left when the expenses of the reception are paid, and the General Committee is at work on suitable permanent memorial plans.

It is to be hoped that other organizations will not arrange conflicting dates, as the committee has practically no choice in selecting this day. Details have been all worked out and committee hopes that they will be met with the approval of all.

Give to the Hospital Fund

We hope that the residents of our borough will make generous contributions to the fund that is being raised by the women of the Main Line—including a committee of Narberth women—to pay the cost of erecting the new Maternity Building at the Bryn Mawr Hospital. This is a much-needed building at the hospital "up the line," and will be an institution that will render a decidedly worth-while service to the Main Line district.

If we really believe that the children are the hope of the nation and deserving of the best that can be given them, we should see to it that at the very beginnings of their lives they are given the best care and attention possible. This service can only be rendered through the facilities found in a modern, well equipped maternity hospital.

Give generously to the very worthy cause, Narberth folks, and give promptly. For the sooner the Hospital Fund is completed the sooner the building can be finished and opened for cases.

Miss Emily Sibley, of 507 Haverford avenue, recently entertained at luncheon, the guests being Miss Ruth Schneider, Miss Rebekah Fisk, Miss Elizabeth Boehmar, Miss Kathryn Dougherty, all of West Philadelphia.

Don't forget the mite box opening in the Y. M. C. A. building on Thursday evening, October 23rd. Whether you have had a box or not is immaterial; you are perfectly welcome. The Women's Auxiliary will be glad to have you enjoy the evening with them.

Charles F. Street, of West Philadelphia. Rev. Frank M. Gray, pastor of the Narberth M. E. Church, made a social call on the ladies in the evening.

There will be a dance in the Town Hall Monday evening, October 13th, and the committee has sent us an article regarding this dance, and we quote the article as follows:

There will be a dance at the old Town Hall Monday evening, October 13th, 1919.

There will be quite some music.

There will be enough waltzes and Paul Jones' to interest the old and sedate married clique of thirty-five to ninety-five years of youth.

There will be enough one-steps to satisfy the debutants and the young bloods about town.

There will be a cessation of the curfew until the alluring hour of one, if the exponents of the Terpsichorean art so desire.

There will be cards of admission on sale at all the Sundae Bars of Narberth's gay white way.

Now folks don't forget the date, Monday evening, October 13, 1919. It is Narberth's first dance this fall, and all are expected and all are guaranteed a good time.

As your present schedule does not provide any train leaving Narberth week-days between 7.29 and 8.29 P. M., we would like to have you consider arranging for train No. 5488-5392, which operates as a local between Frazier and Broad Street Station, to stop at Narberth to receive passengers.

This train makes all stops from Frazier to Ardmore, but does not stop at Wynnewood, Narberth, Merion or Fifty-second Street; and it would certainly be a great convenience to Narberth people going to Philadelphia during the early evening.

Your consideration of this request will be greatly appreciated and we will look forward to being favored with an acknowledgment of this communication.

Yours very truly,

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 3 lines; 5 cents for each additional line.
